

Club Notes – 30 August 2010

A successful week at senior level with both sides obtaining points and strengthening their position at the top of their respective Leagues.

Division 1

Our success away to Pearse Ogs confirmed our position as league winners and brought us our first piece of silverware. Games against our Armagh rivals, and this one is no different, are always tough. It was the home side who made the better start and three points in a row gave them confidence. At last we began to settle and two points in a row brought us back into the game. The last ten minutes of the half was nip and tuck with each side cancelling out the other score. It's a true saying that goals win matches and a mistake by the Ogs keeper allowed us in for an easy goal. Half time score Rangers 1-7 Pearse Ogs 0-7. On the resumption the game followed a similar pattern. With defence on top scores were hard to come by. Over the thirty minutes each side scored four points to leave the final score Rangers 1-11 Pearse Ogs 0-11.

Senior Championship

Our next game is against Armagh Harps in the quarter final of the championship. The game is fixed for Carrickcruppen next Sunday 5th September. Throw in is timed for 6pm. I would ask all supporters to turn up and give the team your full support. The decision to play a championship game on All-Ireland Hurling Sunday certainly devalues the competition. What message does it send out to the hurlers of Armagh? If truth be told we have a county board who only pay lip service to the game of hurling.

Division 4

The two points received from Mullabrack certainly put us in a strong position approaching the final series of games. We just require a further bit of dedication to make sure of the silverware.

Lotto Jackpot

The Lotto Jackpot was not won and now stands at £1,500stg or €3,000.
